

IMPORTANT NEW INFORMATION

DISCONTINUATION OF INTERCARE RECYCLING OF MEDICINES

Unfortunately, we have been informed by Intercare that, due to changes in regulations, they will no longer be able to accept recycled patient medicines for transmission to African Clinics. Therefore, the surgery is no longer able to accept returned medicines and these should be taken to a pharmacy for destruction.

We would like to thank all patients who have supported this worthwhile process over the last five years and we are very sad that it can no longer be continued.
